REGULAR AGENDA

Discuss and consider possible action naming a trail the "Brig. Gen. Travis Monroe Hetherington" Trail. (M&C # 2017-03-07-01 M. Moritz)

Public Works Director Melinda Moritz presented this item asking City Council to consider naming the new trail, being a strip of easement land behind Grass Hill Drive, donated by the Hetherington Family Trust to the City of Leon Valley, the "Brig. Gen. Travis Monroe Hetherington Trail".

Public Works Director Moritz began with a background saying Brigadier General Travis Monroe Hetherington was the developer of Seneca Estates Unit 3 and Forest Court subdivisions and owned a leftover strip of land, formerly a portion of the now-closed Smith Road. The parcel is a strip of land, twenty (20) feet wide, non-developable, and consists of approximately 0.2317 acres of land. The land is located directly adjacent to the detention pond behind 6320 Bandera and can be used as access to the new The Ridge at Leon Valley detention Pond Park. In trying to gain access to the detention pond and provide an area for the water well project runoff, staff contacted the current owners to gauge their interest in donating this parcel to the City. The current owners were pleased to donate the land to the City. As previously stated this will now provide access to the detention pond, and creates the start of a new trail system, as it will connect to other proposed parkland. During conversations with the family, we asked about the history of Brig. Gen. Hetherington. The daughters sent a biography of their father and it was then discovered that he was a distinguished Brigadier General who served our country for 30 years. The daughters also sent a picture of Brig. Gen. Hetherington and expressed their desire to have the trail named for him.

Public Works Director Moritz concluded the presentation saying that the Park Commission met on February 9, 2017, considered the request, and then recommended approval.

A motion was made by Council Member Monica Alcocer and seconded by Council Member

Belinda Ealy, to approve the naming of the trail, the "Brig. Gen. Travis Monroe Hetherington Trail" as presented.
