Presentations

Presentation and Discussion of Community Rating System (CRS) Classification. (M&C #2017-05-02-01 L. Valdez)

Fire Chief Luis Valdez presented this item to announce and discuss the new Community Rating System (CRS) classification recently awarded to the City of Leon Valley. The Community Rating System (CRS) is a FEMA program that recognizes and encourages community floodplain management activities that exceed the minimum National Flood Insurance Program (NFIP) standards. Depending on the level of participation, flood insurance rates for policy holders can be reduced.

The City of Leon Valley has received notice from the ISO and FEMA that it has been accepted as the newest CRS Community with a classification of 7. This results in a 15% discount in flood insurance premiums in homes within the Special Flood Hazard Area.

There are 59 cities in Texas with a CRS rating, the highest is a Class 5, and the City of Live Oak is the only other CRS Community in Bexar County, also a Class 7.

Besides the benefit of reduced insurance rates, CRS floodplain management activities enhance public safety, reduce damages to property and public infrastructure, avoid economic disruption and losses, reduce human suffering, and protects the environment. Implementing some CRS activities can help projects qualify for certain other Federal assistance programs.

The work to earn this rating came at no cost. The rating results in an annual savings to combined households between \$15,000 and \$30,000.

Chief Valdez recognized and thanked Public Works Director Melinda Moritz and her team as well as the Leon Valley Public Library for all they have done to assist him in making this happen.

- Matthew Hodde, 5905 El Verde Road thanked Chief for all his hard work and wanted to know what the county was doing to assist.

City Manager Kelly Kuenstler stressed that Leon Valley was the ONLY city in the State of Texas to receive this award. Chief Valdez added that Leon Valley is also the ONLY city in Bexar County to ever receive this award.

Consider, Discuss, and Possible Action to Approve a Request to Use Park Capital Funds for The Ridge at Leon Valley Proposed Park - *Withdrawn* (M&C # 2017-05-02-03 M. Moritz)

5. **REGULAR AGENDA**

Discuss and consider possible action on a budget adjustment and related ordinance in the amount of \$2,500 from the General Fund Economic Development Department to fund the first annual Leon Valley Police Department Junior Law Enforcement Competition (M&C # 2017-05-02-04 J. Salvaggio)

Police Chief Salvaggio presented this item seeking City Council approval for a budget adjustment and related ordinance in the amount of \$2,500 from the General Fund Economic Development Department to provide funding for the first annual Leon Valley Police Department Junior Law Enforcement Competition scheduled for June 3, 2017.

Funding for the budget adjustment will come from Economic Development sales tax revenue.

Council Member Monica Alcocer stated that she would like the Chief to consider taking the funds from the Forfeiture Funds instead of economic development.

Council Member Benny Martinez asked if this item should be vetted through the Economic and Community Development Advisory Committee. City Manager Kuenstler said that committee had not been established yet and finally Mayor Riley stated that the City Council is the board that is vetting this item.

Chief Salvaggio said this should be a one-time request and that all future events would be covered due to this being a self-sustaining program.

- Olen Yarnell, 7230 Sulky asked if the City would be reaching out to begin promoting this program.

A motion was made by Council Member David Jordan and seconded by Council Member Belinda Ealy to approve the budget adjustment and related ordinance in the amount of \$2,500 from the General Fund Economic Development Department to provide funding for the first annual Leon Valley Police Department Junior Law Enforcement Competition.

Consider, Discuss, and Approve the Implementation of a “Don’t Block the Box” Campaign and Approve an Ordinance Authorizing a Budget Adjustment in the Amount of \$7400 From the General Fund Reserve (M&C # 207-05-16-05 M. Moritz)

Public Works Director Melinda Moritz presented this item seeking City Council consideration of a “Don’t Block the Box” Campaign, and to approve an ordinance authorizing a budget adjustment, in the amount of \$7,400, to fund signage for the campaign. Public Works Director Moritz added that over the past several years, the City has received numerous complaints regarding motorists blocking pedestrian crosswalks and impeding oncoming traffic at intersections along Bandera Road. “Don’t Block Intersection” signs were placed at the intersection of Bandera and Linkwood, but not at the intersections with traffic signals. It is believed that a “Don’t Block the Box” campaign would bring awareness to motorists. The cities of San Antonio and Austin have both introduced this campaign in their areas of concern.

Public Works Director Moritz said the signs would be installed on all 3 or 4 traffic signal mast arms at 6 intersections along Bandera Road: Seneca, El Verde (3 way), Grissom (3 way), Poss, Huebner, and Reindeer Trail (3 way). A Public Service Announcement would be placed on the City’s website and Facebook pages and City Police Officers would start enforcement of this message at least 30 days after installing the signs. City staff would monitor program for 6 months to evaluate its effectiveness.

- David Smith 7034 Mill Stream read aloud a letter in support of this initiative.

A motion was made by Council Member David Edwards and seconded by Council Member Monica Alcocer to approve the ordinance authorizing a budget adjustment, in the amount of \$7,400, to fund signage for the campaign as presented.

Discuss and Consider Possible Action on an Ordinance Amending the Leon Valley Code of Ordinance, Appendix "A", Section A2.004 (a) to include the same discount to Leon Valley employees as to Leon Valley residents. (M&C # 2017-05-02-06 A.Anthony)

City Manager Kelly Kuenstler presented on behalf of Amber Anthony who was ill this evening. The purpose of the item is for the Leon Valley City Council to consider and possibly take action on an ordinance to amend the Leon Valley Code of Ordinance, Appendix "A", Section A2.004 (a) which will include an employee discount of \$50.00 on rental fees only at the Community Center. This discount is already given to Leon Valley residents. It will simply be extended to employee's usage as well.

Mayor Riley requested a breakdown of fees indicating revenue generated from residents vs. nonresidents. City Manager Kuenstler said she would be preparing that with the proposed budget.

A motion was made by Council Member Monica Alcocer and seconded by Council Member Benny Martinez to approve the ordinance amending the Leon Valley Code of Ordinance, Appendix "A", Section A2.004 (a) to include the same discount to Leon Valley employees as to the Leon Valley residents.
